

March 14, 2021

A Note from Brian, Mark, and Terry

I don't think that any of us expected the Coronavirus Pandemic to have affected our Worship Services for this long. But now that the infected numbers have decreased and the vaccine program is well underway, we're making plans to return back to our regular Worship Services. Although the change won't happen all at once, we're making steps that take us in that direction.

Sunday Mornings will continue with two Services, the first one at 8:45 AM and the second at 11:00 AM. Beginning March 21<sup>st</sup>, we'll add the Sunday Evening Service back into our schedule at 6:00 PM. Beginning March 24<sup>th</sup>, the Wednesday Evening Bible Study starting time will change to 7:00 PM.

Online services will continue for our Sunday Morning Worship and our Wednesday Night Bible Study lesson for those at home.

We've taken steps to keep our worship services as safe as possible and continue to require face coverings, provide empty rows between seats, disinfect the building between services, and use individual communion supply kits. More are starting to attend in person, and we hope that you'll also consider attending in person as you receive your vaccine and/or the Pandemic numbers improve to where you feel safe to be out again.

We very much look forward to the time that we can all worship God assembled together!
