A Note from Brian, Mark, and Terry

We're pleased to report that our worship services and Bible studies have now returned to a normal schedule. Although the Coronavirus Pandemic still lingers with us, we realize that our service to God is most important and needs to be our top priority as a Christian. That doesn't mean that we don't take precautions and realize the dangers of this virus, but as the Old Testament points out in many passages, God expects us to be faithful to Him under all circumstances. We're hopeful that your faith continues to be strong and that your worship to God has special meaning, whether you're attending in person or worshipping at home via our on-line services.

We've made a time change to our Sunday morning service, so please take note of that as our service times are listed below.

Sunday Morning services now begin at 9:30 AM for Bible Study and 10:15 AM for worship. Sunday evening worship services begin at 6:00 PM and Wednesday night Bible Study begins at 7:00 PM.

Online services continue for our Sunday Morning Worship and our Wednesday Night Bible Study lesson for those at home.

At this time, we continue to watch the development of the Corona Virus variant strains and watch the Governor's recommendations as we move forward. If any changes to our services are required, we'll let you know promptly.

We encourage you to remain faithful in your service to God. Set aside some time each day for prayer and Bible study. Encourage your Christian brothers and sisters with a phone call or card.

As always, please feel free to reach out to us if you're in need of anything. It is our prayer that not one soul becomes unfaithful.

We very much look forward to the time that we can all sit side by side and worship God assembled together!
